

10 Transport Riddles

1)

When people board this type of transport
Into different cabins they are split
It has wings, a nose and a tail
And the pilots fly in a cockpit

2)

I am a mode of transport
But I am not very wide
I've an engine and two wheels
I'm something you sit astride

3)

This vehicle makes frequent stops
So getting to places can be slow
In London they're usually red
The ones you take to school are yellow

4)

I'm a transport you don't have to drive
Which means you can sit back and relax
I can take you across the country
Not in the air but along some tracks

5)

If you ever want one of these
Then a license you must get
This transport's spelled with three letters
But it isn't called a jet

6)

This is a special kind of transport
Sometimes used in an emergency
As they're able to fly and hover
And help rescue people lost at sea

7)

Before there were cars and trains
This was how people got around
They'd get up on a saddle
Take its reins and then hooves would pound

8)

If you're in a city
This is something you might grab
In New York it's yellow
It's also known as a cab

9)

This has a saddle and a chain
And two pedals either side
Its two wheels have many spokes
It's something on which you ride

10)

If you travel on one of these
An astronaut you must be
As it takes you to outer space
Where there's zero gravity
