1)

Oz had good ones from the north & south  
And wicked ones from the east & west  
But flying around on a broomstick  
Is probably how they are known best

2)

This is a common little bug  
That many people fear  
This fear has a special name  
It's arachnophobia

3)

If you are in a creepy house  
And hear an unusual sound  
It might be this apparition  
Who can be seen floating around

4)

I'm something that can be pumped  
But I am not a tire  
I am a body fluid  
That's drunk by a vampire

5)

These winged creatures often scare people  
If you touch one you are brave  
They're often found just hanging out  
Upside down inside a cave

6)

This body has no ears or tongue  
So he's not able to use phones  
Tickling doesn't work on him  
Because he's only made of bones

7)

You'll never see one of these  
If you stay in the daylight  
But beware when night-time comes  
As your neck might feel a bite

8)

If you are an archaeologist  
And you dig up an old tomb  
Beware this monster wrapped in linen  
Or else you might meet your doom

9)

If you see this hairy creature  
Your first choice should always be to run  
Otherwise you had better hope  
You have silver bullets in a gun

10)

Vertebrae and ribs  
Skull and phalanges  
Femur and sternum  
What are all of these?

11)

Made out of different body parts  
Brought to life by electricity  
Bolts in my neck and yellowish skin  
Why can't people show me some pity

12)

Remove the seeds  
And carve a face  
Your front doorstep  
Is where it's placed

13)

It is thanks to this item  
That you can sweep the floor  
It's also used by witches  
So they can fly and soar

14)

If you find yourself laying in one  
You won't be feeling merry  
As it means that when the lid is closed  
It's you that they will bury

15)

Eye of newt and toe of frog  
Wool of bat? Just a spot  
These are all what witches brew  
Inside this big black pot

16)

This structure isn't somewhere  
You ever want to be  
Because it has lots of ghosts  
That make it so scary

17)

To make sure you don't have bad luck  
And have everything be fine  
Make sure that your path isn't crossed  
By this dark as night feline

18)

There are hundreds of these in a graveyard  
But dead bodies it is not  
It's what contains all the info as to  
Who's in each burial plot
