

# 12 Christmas Riddles

1)

Garland, lights and balls  
They can all be seen  
Once they are hung up  
On this evergreen

2)

When going around the world  
This animal can find the way  
It goes to every country  
While helping pull Santa's sleigh

3)

I'm made of two colors  
And I look just like a hook  
You'll give me a lick  
But I'm not something you cook

4)

What will it be stuffed with  
There's nobody who knows  
But it looks like something  
You'd slide over your toes

5)

Open this everyday  
For something that can't be beat  
Behind each of the doors  
You will find a tasty treat

6)

It is thanks to beings like me  
Your Christmas toys don't come from stores  
Because I am a little helper  
Who makes your gifts from Santa Claus

7)

I'm a plant seen at Christmas  
Which people hang above  
And then they stand beneath me  
And kiss someone they love

8)

Hoping a stranger will break into your house  
Would normally be quite weird  
Except at Christmas when you want a visit  
From this old man with a beard

9)

You sometimes see them on a house  
And often on a festive tree  
They are often multicolored  
And run on electricity

10)

It can be made from evergreens  
Pine cones, berries and it's round  
On the front door of someone's house  
At Christmastime it is found

11)

This has three people holding gifts  
And a few animals maybe  
Plus shepherds, parents and angels  
And in the center, a baby

12)

Dropping from the sky  
More beautiful than rain  
There are no two pieces  
That'll ever look the same
